About Siousada

Siousada is a Crypto Travel Portal which utilized blockchain technology to create a new business model for your travel arrangement. Siousada will put together your room and lodging, ground transport, leisure and adventure activities including meal arrangement in one portal. This will greatly ease the arrangement, scheduling and payment for the entire travel plan. It will be possible through the Siousada.com portal.

Be part of the community that helps build the Siousada platform through our Token Swap Campaign. When you participate, you will receive the SSD token in exchange for the ETH sent. Our ratio is 1 ETH equals to 3,500 SSD. All SSD tokens will be released 7 days after Token Swap campaign completed. Let's build this platform together!
